**TRIP ITINERARY:** July 19-25, 2009 (Sunday-Saturday, 1 week)

## **Sunday July 19th**

After a brief Adventure Camp Orientation we will depart from the Christown YMCA for YMCA Camp Surf. We'll order pizza at our favorite pizza place on the Imperial Beach Pier, and play some group games that will help us get to know each other and preparing for a week of fun. We'll be camping on the Beach at Camp Surf for the next two nights.

## **Monday July 20th**

We will spend the entire day and night at Camp Surf participating in the activities they have to offer. Activities involve waterfront orientation, bodyboarding, surfing lesson, archery, climbing tower, fishing, arts and crafts, beach volleyball and evening beach games. We'll wrap up the day with a small fire on the beach and head back to our tents lulled to sleep by the sound of waves.

## **Tuesday July 21st**

In the morning we'll begin packing up our gear, and participating in a few last activities at Camp Surf. After lunch we'll pack up the bus and head toward Castaic Lake Recreation Area where we will set up camp for the evening. Campers will also be stopping at the grocery store and each take part in helping to plan meals for the rest of the week that they will help cook.

## **Wednesday July 22nd**

We'll spend the entire day at 6 Flags Magic Mountain! The most popular amusement park on the list. Breakfast is cooked on our camp stove in the morning, and campers will be bringing in money to buy Lunch and Dinner at 6 flags. Returning to our campsite late at night after a long thrilling day.

## **Thursday July 23rd**

In the morning we'll cook breakfast, pack up our gear then head to Knotts Berry Farm! Again campers will be purchasing Lunch and Dinner in the park. We'll spend most of the day in the park, but not stay as late as 6 flags so we can set up camp at our new home for two nights: O'Neill Regional State Park.

## **Friday July 24th**

After cooking breakfast at the campsite we'll spend the entire day at Disneyland. Rides, parades and firework shows await us. Campers will again purchase Lunch and Dinner in the park.

## **Saturday July 25th**

Our last day together will mostly be spent traveling together back to Phoenix. We'll eat breakfast, pack up the tents, bring sack lunch with us on the bus, and be back to Phoenix to meet our friends/family around 4:00 pm.
