

Sky-Y Directions

If you are coming from Phoenix, take I-17 North to the Cordes Junction exit (Highway 69). If you are coming from Flagstaff, take I-17 South to the Cordes Junction exit. Follow Highway 69 into the city of Prescott and take the Gurley Street exit to the fourth stop light (South Mt. Vernon Street) and turn left. Sky-Y Camp is approximately 7 miles from the stoplight.

You will see a large triangular sign on the right. Go just past the sign to the next driveway for bus parking.

DO NOT use MapQuest. Also, sometimes GPS navigation systems take on alternate routes that are undesirable.

Camp is about two hours from both Phoenix and Flagstaff.
